

PhoneLine+

How does it work?

As a small business owner, you know that your phone number is essential to your business, and you have invested a lot into it over time. Known to your existing customers and widely advertised to attract new ones, to be without it is unimaginable.

Key Features

Inclusive of UK & International Minutes

Your Phoneline+ account is inclusive of unlimited UK minutes, allowing you to enjoy unlimited access to UK Geographic, UK Mobile and UK National Non-Geographic numbers*.

Additionally, it is also inclusive of calls to select international destinations*.

These include Australia, Australia Mobile, Canada, Ireland, Ireland Mobile, New Zealand, New Zealand Mobile, USA and USA Alaska.

*Fair Usage Policy Applies

Accessible on all devices

Make and receive calls from any one of your devices. Phoneline+ can be loaded on the device of your choice, including laptop, tablet, mobile phone (Android & Apple), or IP handset. If you are logged in to that device, it will ring when a call comes in.

Out of Hours

With Phoneline+ you can set your Out of Hours for every day of the week, and you can have an Out of Hours message that is specifically for when you are closed rather than when you are unable to answer a call.

Simple Provisioning

Provisioning and management if your account is accessible via an online portal so your service provider can easily make changes and updates whenever required.
